MESSAGE #1375 from Jesus March 1, 1998

My child,

Some crosses will be harder to bear than others, but what you must always remember is that I am always near. Remember this so you never become discouraged. Call My name and I will come and give you encouragement. I will wipe your tears and I will help you through all trials.

The pain that you feel will seem immense at times, but that is all part of carrying your cross. Through this pain, I will be able to work more powerfully through you. Through your suffering, many souls will be saved. It is when one understands the pain that I, your Lord, endured for you, is when one will be more willing to carry their cross. This is why, My child, I have given you a heavier cross. No one on this earth will have to suffer as I did, but each of you will have to carry your cross. None of you will ever have to walk alone if you believe and turn to Me for help, for I, your Lord, am ever so near and I will never abandon you.

My Mother is also present on this earth to help each child who accepts her motherly assistance, so take her hand. Be not foolish, for she is your mother who will shower you with her grace. She will guide those who listen and who respond to her messages. She will protect and nurture those who take refuge in her Immaculate Heart. She will intercede for you when you come to her with your requests, so be wise and take her hand and she will help you on this earth. Be more pure, just as My Mother, so you do not pierce her heart. Be more accepting of her mission that My Father has asked her to do, for then you will be led closer to Me, instead of deceived.

My Mother's messages have become longer because she so often has to repeat herself, but they are that of truth and concern for you. They are very teaching because so many do not know how to love. They are informative because many do not follow true teaching. They are very loving, yet at times firm to wake her sleepy children. Her heart is always open, waiting for each child to take refuge. She does not deny any child who comes to her, for her love is deep for all her children.

I have come to remind you that her time is almost up on this earth, so be more attentive and do all that she is teaching you. I have come also to warn you that those who pierce her heart will have to answer to Me, for she is My Mother who is ever so near to Me. Many will deny My Mother's grace. Do not allow them to place doubt upon your heart, for they do not understand My Mother's role on this earth. Instead, share your faith and be firm on your beliefs, for many of you know that she is the Mother of God and a mother to each of you. She is here to help those who take her hand.

I ask that you respond to Our requests so you remain on the path that will lead you to Heaven. You will then have peace and joy and you will stay strong in your faith. You will stay strong because you will be guided each new day.

I am your Merciful Lord. I am here for each one of you. Just believe and keep your heart open, for then My words will live in you.

MESSAGE #1502 from Jesus July 5, 1998

My child,

Pray and continue to suffer for Me, for then light will be shed upon those souls who are living in darkness.

This is the time of My Divine Mercy, but My Justice will soon come. The earth will then tremble and all will know the time is near. Those who repent and who are doing the Father's Will, will have peace and serenity, but those who are living in sin will have much to fear. For all that is hidden will be unveiled and man will not be able to cover up their sins. Wherever there is sin, My Father's hand will strike. Wherever there is sin, man will, will pay the price.

Pray, My child, for sin has become widespread and justice will prevail across this land. Pray, My child, and suffer silently for Me. Pray, My child, and spend as much time as you can with Me, for then each cross will be easier to bear. Each cross will save many souls, for they will be led back to Me.

This message must be shared with all humanity so they understand the suffering you must go through. It is all part of walking closely with Me. Those who love Me will understand that you have been chosen and that you are a victim soul. Those who love Me will also carry their cross with joy, no matter how hard it becomes. Those who love Me will be willing to do their part.

Now, persevere and persist in prayer, for My mercy will not last. I am Jesus, Your Merciful Lord, take shelter now in My Most Sacred Heart. My heart is open, so take refuge now.

MESSAGE #1846 from the Blessed Mother October 12, 1999

Souls, many souls need your prayers. Many in Purgatory have no-one to pray for them. Many suffer, so please pray each time God allows you to hear their voice. Remind all my children to pray, pray daily for the poor souls in Purgatory. Prayers, my daughter, will help those who are in Purgatory. My daughter, tell the world what you have seen today so more will pray for those souls who have been forgotten. Each prayer will help these souls so that one day they can be in Heaven.

My daughter, please offer your suffering to our Lord, for through your suffering many more souls can be saved. Please do not hold back your tears, allow your tears to flow. Today you feel my pain, but remember always, I will hold you and help you through those difficult days. When one says yes to God, one will never have to carry their cross alone. Our children must understand that when one relays our words, they must also see and feel our pain. If one did not suffer, then one would not be able to share our heavenly words.

My daughter, many will not be able to understand this message until they accept their cross. If one keeps refusing to pick up their cross, then souls cannot be saved. It is through one's willingness to suffer for Jesus, how souls can be saved from the fires of hell. God knows how much each of you can endure, so please do not be afraid to pick up your cross.

Please do all that you can for Jesus no matter what others think of you. God will always be your strength, but it is up to you to be true soldiers for our Lord. It is up to you to go forth and make the Gospel known. It is up to you to teach others what is morally right. It takes a true devotion to Christ to be persecuted for living your faith. It takes love, love in your heart in order to witness and be more like Christ. It takes humility and discipline to be true servants for our Lord. It takes sacrifice and commitment to become true followers for Jesus Christ.

In order to be purified on this earth, you must use your hands and voice for Christ. You must not be prejudice, you must love all your brothers and sisters. You must be willing to help those who are furthest away from God. You must pray and then do whatever God is asking of you. If God is asking you to stay home with your children, then you must obey. If God is asking you to live more simply, then you must, must obey. If God is asking you to spend more time with Him, then you must give up your pleasures.

Each of you must listen, listen to your heart. Each of you must learn to be silent so you can truly hear God. Each of you must learn to trust in order to do the Father's Will. Each of you must live your vocation no matter how difficult it is for you. Each of you have a job to do, so you must listen and obey God. You must not give in to your desires. You must be willing to take the more difficult road. You must be willing to be persecuted, for this is thirst to your soul. Each tear and trial is how you will be strengthened. Each "yes" to God is how you will be led closer, closer to Him.

Today, I ask that you be more willing to pick up your cross on this earth, for this is how you will be purified and strengthened for each new battle. If you choose the easier road, your heart will become lukewarm. If you choose to live in sin, then you will suffer when it is time to leave this earth. Heaven is for those who believe in God and who are willing to pick up their cross on this earth. Heaven is for those who live their life for Christ.

So please, dear children, do not be fooled by those who do not believe in Purgatory or hell, for many, many suffer for refusing to do God's Will. Many, many suffer when they harbor hate and bitterness in their heart. The time is now, dear children, to be purified on this earth, so please respond with your whole heart and do what God is asking, asking of you. Please believe that God is love and He knows what each of you can do.

Amen.

VISION OF PURGATORY

This morning, Oct. 12, the Blessed Mother told me she must show me Purgatory. I said, "Why Mother?" and she said, "Because many souls need your prayers, especially those who have been forgotten." I feel much pain today and I feel as though I am not able to talk or share with anyone, what I saw.

This is what I remember. I felt as though I was walking in fog. It seemed darker in some areas. People were in groups with no walls separating them. I could barely see the first group, but when Blessed Mother put her hand up, there seemed to be light coming from her hands. The people's faces were as if they were stunned or terrified. They said to me, "Pray for me," many times. They looked dirty and very sad. I did not see any children in the first three groups that I saw. The Blessed Mother told me there are many different levels in Purgatory. The air was cold, yet I could see flames on two walls. The Mother said these are the people closest to hell. She said they feel much pain because they cannot do penance for their sins. She said those who repent are spared from the fires of hell. She said prayers are needed so more repent. Through prayer many repent at the very end, so she said one must pray for those souls furthest away from God. When we walked away, it became dark again and I saw another group of people. Each group would say, "Pray for me." The Blessed Mother said, depending what level they are at determines how long they stay in Purgatory. For some, she said it's seconds; for others, it's months and then years. The Blessed Mother says she comforts those who are in Purgatory. She prays everyday for these souls. I saw many groups and it became less dark, the further we walked. All felt pain, though, because they wanted to be with God. The air and surroundings were very misty and foggy, unlike Heaven.

Through this, I learned how important it is to do penance for my sins and I now know that I must pray throughout the day for all souls in Purgatory. If one could get but a glimpse of their faces, one would pray more for them. I know the Mother showed me Purgatory for a reason and I hope all faiths will realize that there is a Purgatory. I saw much more this time and I pray I will never have to see it again.

MESSAGE #2057 from the Blessed Mother October 27, 2000

My daughter, Jesus knows what is best for you, so do not look to others for consolation. Go directly to God and share your desires, your pain and suffering. God will comfort you, just as I, and will help you through each new trial.

So many today leave God last because of fear and lack of trust. So, today I ask that you begin your day in prayer. I ask that you keep your hearts open so that God can enter more fully. I ask that you turn to God throughout the day so that He can guide and direct you. This is the time in which God has allowed for each of you to truly come to know Our Lord. So be wise and spend time, time with Jesus. Be wise and allow God to plan your day so that you do not become too busy for God. Ask God to help you remove those distractions which prevent you from truly spending time with Our Lord.

Please, dear children, listen to what I am telling you so that your relationship deepens with Our Lord. It is God whom you must turn to if you truly want to be happy on this earth. It is God who knows what is best, best for each of you. Until you truly come to know this, peace cannot enter your hearts.

Practice today, all that I am teaching you so your love for Jesus grows inside of you. I want each of you to shine, but this will not happen unless you spend quality time with God. By allowing Jesus into your heart, your desires will change. You will come to know the true meaning of love if you surrender your life to Him.

My Son has so many Graces which He wishes to give to you, but it is up to you to accept and receive them. It is up to you to trust in His merciful love. It is up to you to rely on God and to do what He is asking of you. If you do the opposite of what God is telling you, then He cannot enter in the way that He desires. So be obedient children and take quiet time and then listen, listen to your heart.

Be willing to follow Jesus by picking up your cross. If you keep refusing to pick up your cross, then you are separating yourself from my Son, Jesus. Believe, dear children, that Jesus will be with you through your suffering. Jesus will help you carry each new cross if you allow Him to. Jesus is truly there for each of you, so please do not be afraid of the cross, for this is how you will be strengthened. Through sacrifice and acceptance of each new cross, your love for Jesus will grow. Through acceptance and willingness on your part, you will come to know God's love for you. Give yourself totally to Jesus, for then I promise you, love and truth will reign, reign in your hearts.

Now, please remain faithful to Jesus. Do not allow the world or your desires to pull you away from prayer. Take time for prayer and study His Word. Keep your focus on Jesus so that you can be guided and taught the truth. Do not fight God's ways or love for you. Pray and allow God's Will to be done. This is the way to Heaven, so please respond now and love Jesus with your whole heart. Allow Jesus to dwell in you so that peace, joy and love can fill your hearts.

I am your Heavenly Mother and I ask God's blessings upon each of you now. Go now in peace, for I am ever so near to you. Amen.

MESSAGE #2100 from the Blessed Mother February 1, 2001

My daughter, Keep praying, fasting and turning your heart to my Son and me. We are truly with you, even when you feel alone. Each time you turn to Jesus, you will be given the strength and courage to do what God and I are asking of you. Stand firm and do what I ask and do not worry what others think of you. A time will come and all will know that I am truly here giving messages all around this world. Be aware that there will be some people who will work against you, for they do not understand my role on this earth.

I must remind you to work hard and make sacrifices for the salvation of souls. In God's most perfect time, you will see Heaven again. You will then know just how many souls you have helped on this earth. You will have joy, true joy, one day. In order to grow spiritually, you must accept the things that are hard for you, for this will help you become more dependent on God. Each time you make sacrifices for me, you will grow, grow in holiness. You will have peace because in your heart you will know that you are pleasing my Son. You will have joy because my Son and I will encourage you on those difficult days.

So I say to each of you, do not grow lax in serving my Son and me, for then Satan will try to confuse you. Do not compromise with the world, instead do what God is asking of you. Do not listen to Satan's lies, for he is sly and will make every attempt to trick you. Instead, pray and fast and live a pure and holy life. Be willing to walk in Jesus' footsteps and be willing to be persecuted just as He was persecuted. Be willing to carry your cross and be willing to be persecuted for loving and obeying Jesus. Be willing to speak the truth in love and make reparation for the sins of man. Be willing to live your faith wherever you go. Show God just how much you love Him by your actions and example toward others.

This is the true way to Heaven, so please respond to what I am teaching you. Please pray to the Holy Spirit and move, dear children, when the Spirit is moving you. Much more will then be accomplished during this time of tribulation. Remain calm through all trials, suffering and storms, for then others will know that you are truly my children. If you become upset or lose hope, then you will not have peace.

Believe that no harm will be done to you, for I am truly protecting you with my mantle. I will intercede for you each time you pray and humble yourselves before God. I will light the way in this troubled world, so please continue forward in faith and fortitude. Do not be afraid of any crosses which are sent your way, for you shall never walk alone. Each cross is truly a gift and each cross you carry with joy, truly, truly helps Jesus.

Now, keep your hearts open and remain close to Jesus and me, for then no evil will enter, only peace and joy. You are my children and you have been chosen, so go forth now in love, peace and joy. Amen.

MESSAGE #2247 from the Blessed Mother December 3, 2001

My daughter, During this time Jesus is very close to you, so stay strong and be glad that you have been chosen to write and relay our words. Stay strong, so that this peace and joy of knowing Jesus does not leave you. Each trial will strengthen you so your heart stays open to whom God sends to you.

I say to all my children, accept your trials with joy. Accept each new cross and believe in God's mercy and love for each of you. Today I ask that my children have confidence and hope in Jesus. I ask that you trust more and believe that God will help you through those difficult days. God will give you the Grace and strength to endure each new cross. God will not abandon those who believe, and trust, and who turn to Him each new day. Now please rely on God and be dependent on Him. Give to God all that is troubling you so that you do not lose hope or confidence in our Lord. Let go of all fear and anxiety and trust in His unending love for each of you.

I want all my children to be joyful, so please respond and give your life to Jesus. Respond and accept God's love, for then fear and worry will not enter. Keep your focus on Jesus and do not worry about tomorrow. Do not worry, for God will be with you each new day. God will give you the Grace necessary to carry your cross today. So be at peace, and know that I am with you so that you never lose hope, or confidence in Almighty God.

I am here to direct you. I am truly here to light the way, so you stay strong through all darkness, trials, and storms. Go forth now with joy in your hearts, and let this love of knowing Jesus shine, shine through you. Amen.

MESSAGE #2275 from Jesus February 6, 2002

My child,

You must not try to carry your cross alone. I am with you. Turn to Me and I shall be your strength. Listen to My Mother and do not run from her. She is here for all her children and her words are that of comfort and love. Lucifer wants you to give up, so remain close to Me. Remain close to Me and keep your heart open. Listen to My words and listen to My Mother whom I send you.

Embrace your cross. Embrace your cross in reparation for the sins of this world. Allow Me to love you more and accept each new cross. Use the gifts that I have given you and bring My people back to Me. Believe what I say to you, for time is short; short for saving souls in this time of My mercy.

Do not let go of My Mother's hand, for she is here to assist you. She will never lead you away from the path to My Father. She is here to light and prepare the way. She is your guide and Heavenly Mother. Put your hands in hers and she will lead you closer to Me.

Be at peace and know I am with you. I am Jesus. I am here for you and for those who follow Me.

MESSAGE #2467 from the Blessed Mother April 21, 2003

My daughter, Be at peace through all trials and suffering and you shall be given much strength. Unite your suffering to Jesus and accept each new cross. Accept each new cross and trust, trust in God's merciful love.

My daughter, pray with me that more will turn to God in this time of His great mercy and love. Pray that more will turn to God so they do not lose hope when trials come their way. Pray that more will depend on God so they are led in the right direction. Pray that more will trust in God and follow His way. Today when you gather, pray that more will join hands and love, love one another.

Much prayer is truly needed so more repent and give their life to Almighty God. Unite with me in prayer, for many are still sleeping. Unite with me in prayer for my beloved Priests so they truly live their vocation. Pray for them so they are not tempted to take the easier road. Those Priests who are loyal to my Son, suffer tremendously. They suffer because of their loyalty to God. Many today do not want to hear the truth, so many good Priests are persecuted for using their hands and voice for Christ.

My daughter, your prayers and suffering will truly help those Priests who are having a difficult time, so please be willing to accept each new cross that is given you. Be willing to write and share all that I am teaching you. Offer your suffering to our Lord and pray, pray more. Come to Mass more often and continue to gather weekly and pray the Rosary from your heart. Tell all my children to do the same, for prayer is truly needed all around this world.

Now, please do not lose hope, for God is truly, truly with you. Be grateful for the many blessings God has given each of you so you continue forward with love and joy in your hearts. Now, please be obedient children so more souls can be saved. Be obedient and trust in God's love and mercy each new day. Amen.

MESSAGE #2547 from the Blessed Mother October 30, 2003

My daughter, I am with you, so be at peace and know that you are not alone. God shall be your strength, so please, please stay hopeful. God knows how much you can endure, so please carry each new cross with joy and offer your suffering for the salvation of souls. You are a victim soul, so be grateful for each new cross.

Many Saints suffered tremendously, yet they stayed faithful to God. They stayed faithful to God because they were given the grace and strength needed to endure suffering and persecution. Much strength will be given to those who are willing to be persecuted for sharing their faith. Much strength will be given to those who obey God and who live, live His commandments.

So, today I ask that my children be brave and loyal to our Lord. I ask that you each pick up your cross no matter how difficult it may seem. I ask that you rely on God to help you so that you do not try to carry your cross alone. Each time you ask for assistance, believe that God hears your prayers. Believe that God is with you and that you never have to carry your cross alone. Believe and turn to Him and trust in His love and mercy. Ask for guidance in everything that you do. Ask and I promise you, peace and joy will be given, given to you.

God's mercy is endless, so believe now in God's love that He has for each of you. There is hope for those who trust in Jesus, so be confident, persevere and trust in His unending love. Amen.

MESSAGE #2596 from the Blessed Mother March 1, 2004

My daughter, If one wants to be a true follower of Christ, one must be willing to pick up their cross with joy. One must not deny Christ, they must be willing to suffer for our Lord.

Today, one must ask themselves, are you willing to be persecuted for sharing your faith? Do you hide your love of knowing Jesus or do you shine, shine for our Lord? I am here today to remind my children that you must let go of all fear and go forth and live, live the Gospel. You must go forth in love and truly share your faith. You must not sit back and be silent; you must speak the truth.

This world needs to know that sin continues to crucify my Son. Jesus' wounds are becoming deeper because so many are choosing darkness. So many today are living in mortal sin. Sin has become widespread because many today are refusing to pick up their cross and follow Jesus. Many are choosing darkness because they do not want to give up their worldly ways.

I weep today because so many are on the wrong path. Many are choosing hell because they do not want to repent or amend their ways. So many innocent lives are being destroyed because of pride and selfishness. Abortion is the greatest sin in this world. All of Heaven weeps each time an abortion is performed.

Please, dear children, weep with me today. Examine your conscience and be truly sorry for your sins. Repent and do penance for your sins before it's too late. Get down on your knees and pray, pray from your heart. Take part in healing Jesus' wounds. Stop complaining and accept each cross that is given to you.

God has allowed each cross for your salvation, so be thankful and let go of bitterness and fear. Be thankful for all trials, suffering and persecution, for God truly knows what is best for your soul. God knows what will truly help you. God knows how much each of you can endure. God is truly with you, so be brave and do your part for the salvation of souls. Do your part or you will feel the earth tremble more.

Now, please turn to Jesus and look to Him for strength, for you shall never have to carry your cross alone. Go forth as true believers and take heed, take heed to Heaven's call. Amen.

MESSAGE #2605 from the Blessed Mother March 26, 2004

My daughter, Today is a day to meditate on our Lord's Passion, so please pray and fast and meditate on the sorrowful mysteries of the Rosary. Through your prayers and sacrifices, you will help heal Jesus' wounds. One must never deny the pain and agony that Jesus endured for each of you. My Son's wounds were deep, yet He suffered in silence. Jesus bled profusely, yet He picked up His cross and suffered, suffered for humanity.

Dear children, please follow the ways of my Son. Embrace all your crosses with love and joy in your heart. Embrace each new cross and offer your suffering to our Lord. Each time you do this, you are truly embracing my Son in His Passion.

Please, dear children, surrender your hearts to my Son and be humble and pure. Turn away from sin and live, live a holy life. Do penance for your sins, for then you will be taking part in healing Jesus' wounds. Much strength will be given to those who live this message. By truly living all that I am teaching you, you will desire purity and holiness of heart. You will not have to suffer long in Purgatory if you do your part in healing Jesus' wounds. Through prayer, sacrifice and penance, you will be imitating Christ. Through prayer, sacrifice and penance, God will truly help those souls that you offer your prayers and sacrifices for.

Now, please kneel before our Lord and meditate on our Lord's Passion. Meditate on our Lord's Passion and be willing to suffer with love in your soul. Pray, pray the Rosary together and believe that this will truly help you live your vocation according to God's Holy Will.

Go now as prayerful children and let my words and all that I am teaching you penetrate your hearts. Amen.

MESSAGE #2711 from the Blessed Mother December 17, 2004

My daughter, Nothing is impossible with God, so please trust and know that He is with you. Trust and walk with Our Lord each new day so that God can use you in a powerful way. A trusting heart is what will give you peace, so believe, believe in God's mercy and love. Believe in God's Will for you so you continue to use your hands and voice for Christ.

I am asking all my children to live and speak the truth, for this is what you are each called to do. By your example more will see God's light shining, shining through you. By your example more hearts will open so that God can enter more deeply. It is time now to let go of fear, for it is fear that blocks your hearts.

I say to all my children, pick up your cross and follow Jesus. Be willing to be persecuted for speaking and living the truth. Do not separate the cross from your lives, for then you are turning your back on Jesus. My Son will strengthen you each time you pick up your cross. My Son will always help you through all trials, suffering and persecution. He is truly with you as you carry your cross, for it is through carrying your cross that you are led closer, closer to my Son, Jesus.

Be brave now and do what my Son is asking of you, for you are never alone. God and I are truly with you, so believe that you are not climbing this mountain alone. Believe and trust so that God can use you in a powerful way. Trust and believe in God's Will for you. Trust and believe, for this is what truly pleases my Son.

Go forth now as true believers so more come to know God's mercy and love that He has for all His children. Amen.

MESSAGE #2804 from Jesus August 12, 2005

My child,

Time is truly short, so embrace your cross with joy. Embrace each new cross, for it will help those who are living in darkness. Each time you embrace your cross, you are embracing Me. Seek My help every day to fight this battle, for evil is widespread. When doubt enters your mind, turn to Me and you will be given the strength needed to persevere. Depend on Me to feed and protect you, for I am the way. I am Jesus, your Merciful Lord and Savior.

The time is coming and each of you will be tested and persecuted for living My Word. This is the time of preparation, so use this time to come to know Me in a deeper way. Receive the Sacraments often so you have the grace needed to say no to the enemy. Spend time with Me and I will care for your souls. I will lead you in the right direction. You will receive special graces to keep moving forward. When storms arise, you will have peace in your hearts.

My message to the world is to repent and give your lives back to Me. Repent and reform your ways, for the day is drawing near. Be faithful to Me and follow My Will so you do not give in to the world. The world is becoming darker and I say to you, you need My help every day to do My Will.

My child, share the many gifts I have given you and preach My message of love, mercy and forgiveness. Reflect on My Mother's words and share all that is imbedded in your heart. Walk in My footsteps and carry each new cross with joy. I am Jesus. I am truth. I am love.

MESSAGE #2956 from Jesus January 16, 2007

My child,

I am with you. Do not fear the cross or the suffering I give to you, for you are not alone. I am with you, so trust in My love for you. Trust in My love for you and allow Me to be your peace and strength. Join your suffering to Mine so more repent in this time of My mercy.

Listen to Me and write each time I come to you. All must pick up their cross and follow Me. All must be willing to be persecuted for living their faith. Living in sin is not the way to true freedom. All must repent and amend their ways. All must rely on Me if they truly want to remain faithful to My Word. My child, time is short and all will happen quickly, so tell the world to change now.

Live simply and let go of pride. Love one another and live in unity and harmony. Be prayerful people and respond to all that My Mother is teaching you. Respond with joy in your hearts and be thankful for life. Cherish life and assist those who are choosing darkness. My pain is immense, for life is no longer precious. Men are blind, they are choosing who should live and who should die. Punishment is near. Man must obey each Commandment instead of making up their own rules. There will be no mercy for those who are refusing to repent.

I now ask the world to open their hearts before it's too late. Come back to Me. My Heart is overflowing with love and mercy. Repent and pray and return to My Heart before it's too late. Accept My love. I am Jesus. I am always with you.

MESSAGE #2962 from the Blessed Mother January 31, 2007

I am truly here for all my children, so please tell the world to accept my love and protection. My Immaculate Heart is truly a refuge for all my children. I invite each of you to seek refuge in My Immaculate Heart. I desire you to be filled with love, joy and peace. It is my joy to bring you closer to My Son, Jesus. Please accept my love for you, for I am truly Your Heavenly Mother. Accept all that I am teaching you so that you grow in holiness.

Now, please turn to Jesus and you will feel the fire of God's love burning in you. Amen.
